## CREATIVEGROUNDS / THE VILLA'S

Each meeting room offers unique features such as high ceilings, high-end natural interiors, or a darker color palette. Furthermore, there is a kitchen located on the ground floor of each building, and both buildings boast spacious and breathtaking gardens.

Rental includes the use of screens with Chromecast, high-speed WiFi and whiteboards. We also offer food & beverages packages.

Each room is available with the current set-up of tables and chairs, but alternative arrangements can be discussed.

Rental is available per half-day (9am - 1pm or 1pm - 5pm) or for a full day (9am - 5am). Evenings can be arranged upon discussion.

Both buildings are located in Amsterdam Oud-Zuid, making them easily accessible. Additionally, they offer ample parking spaces in front of the premises (subject to a fee), ensuring that parking is not a problem.
