WE DO INTERIOR

[WWW.DOEN.DO](http://WWW.DOEN.DO)

What used to be Kralingen's former post office – situated at the Avenue Concordia 30 in Rotterdam – is now a place called DOEN.

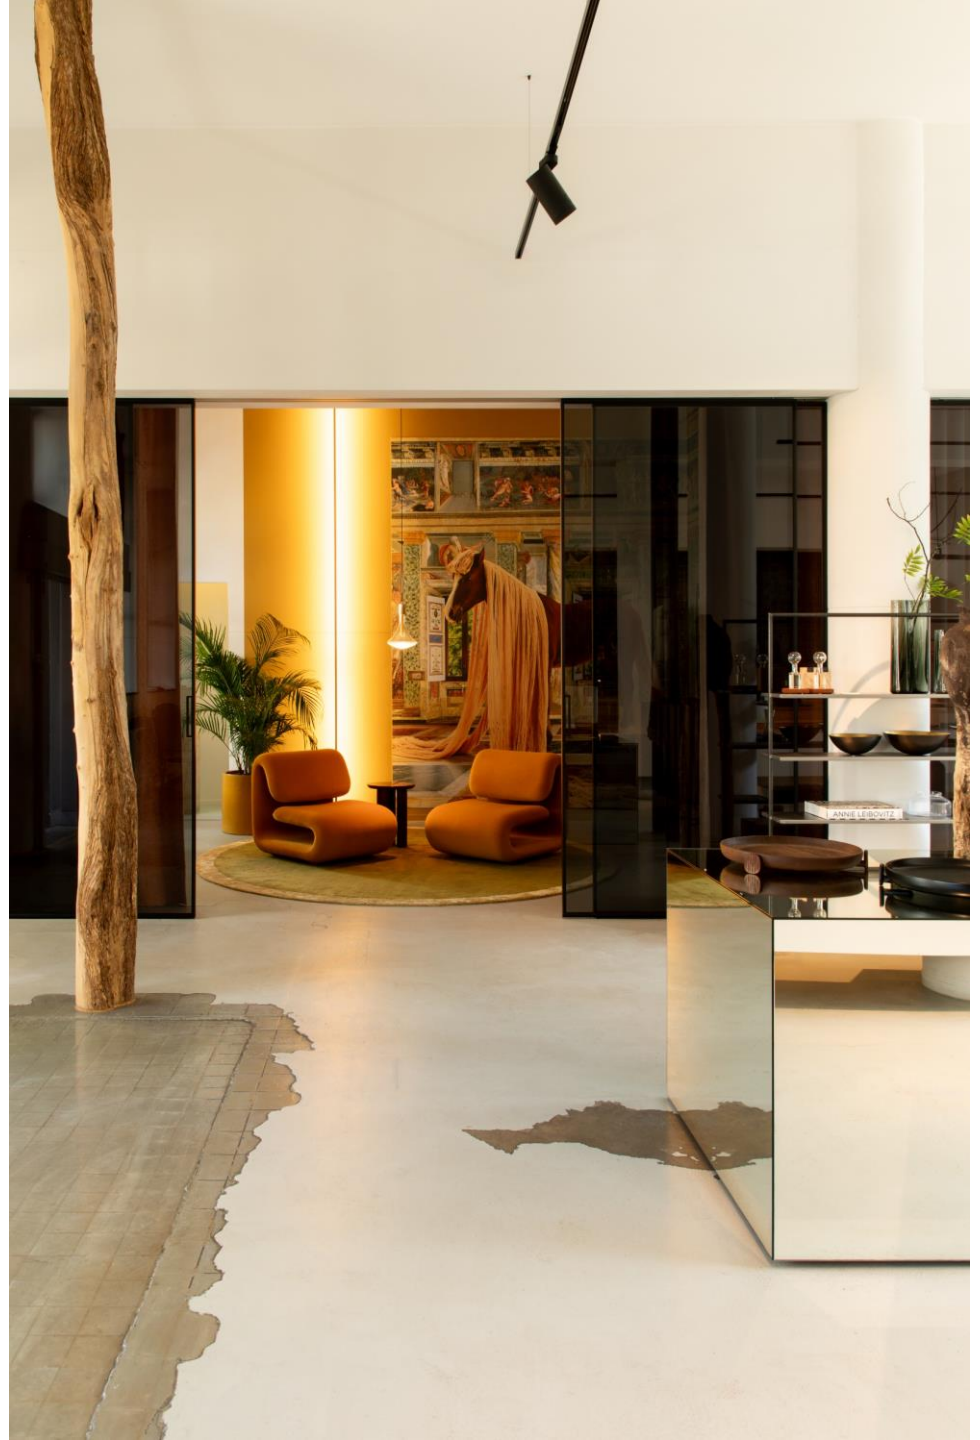

To put it simple and short;

# WE DO INTERIOR AND CREATE SPACES TO LIVE, LOVE, WORK, ENJOY AND FEEL SAFE IN.

At DOEN it's a full-service experience, done with our imaginations, our hearts, our heads and our hands.

With that same kind of energy, we've created our own little universe on 1050m<sup>2</sup>. Made not only for ourselves but also for you.

With our spaces spread out over **two floors** we can accommodate your next photoshoot, dinner, meeting or business event.

# SOUTERRAIN

Our lower floor consists of 350m<sup>2</sup>, where we have a photo studio, kitchen, presentation room and private meeting space.

# PHOTOSTUDIO

Our lower photo studio can be used for a variety of purposes, with its unique shaped walls and different backgrounds to choose from.

For product photography we also offer a portable photo cube available with different background colours.
